RESEARCH

Grants Received

Taking charge of systemic sclerosis: Improving patient outcomes through self-management. **Janet L. Poole** (Co-PI) and Dinesh Khanna (Co-PI). Patient-Centered Outcomes Research Institute (PCORI), 9/1/14-8/31/17, \$1,771,785.

Examining the advantages of delivering the STOMP intervention in the home environment. **Janet L. Poole**, (PI). Clinical and Translational Center Inter-Institutional Pilot Project Award, 4/1/13-3/31/14, \$24,701 direct costs only.

Evaluation of an internet self-management program for systemic sclerosis. **Janet L. Poole**, (PI), UNM HSC Research Allocation Committee grant, 2/1/12 – 6/30/12, \$10,000 direct costs only.

Educational needs of children with systemic sclerosis (sclerosis) and their parents. *Hannah Bloom, MOTS* (PI, Research Apprentice) and **Janet L. Poole**, (Mentor). UNM Signature Program in Child Health Research, Research Apprenticeship Award, 5/1/09-4/30/10, \$4,630 (direct costs only)

Workplace challenges encountered by persons with scleroderma, **Janet L. Poole**, (PI), 30%, American College of Rheumatology Research and Education Foundation, 7/1/08-6/30/10, \$100,000 direct costs only.

Development and evaluation of a self-management program for scleroderma. **Janet L. Poole** (PI), National Institute of Nursing Research RO3 NR009697, 9/30/05-7/31/08, \$149,250.

Functional impact of motor and cognitive deficits after stroke. Kathleen Y. Haaland (PI), **Janet L. Poole** (co-investigator, 10% effort), Veteran's Administration Rehabilitation Research & Development Grant, 1/1/07-9/30/09, \$588,000.

An exploratory study of the impact of two systemic autoimmune diseases on perceived parenting ability, **Janet L. Poole**, (PI), UNM Department of Pediatrics, 11/05-11/07, \$7,370.00 (direct costs only).

A comparison of two non-surgical regimens to treat hand contractures in persons with systemic sclerosis. **Janet L. Poole** (PI), Omer Award, UNM Department of Orthopaedics, 6/1/04-12/31/04, \$3025.00.

Reliability and validity of a self report test of hand function. **Janet L. Poole**, (PI), Omer Award, UNM Department of Orthopaedics, 6/1/01-6/31/02. \$1500.00.

Functional and Work Disability in Systemic Lupus Erythematosus. **Janet L. Poole** (PI), UNM SOM Research Allocation Committee, 1/1/99 - 12/31/03, \$8,200.00

Relationships between quality of life, personal care/home management limitations, and secondary conditions for Native Americans with Arthritis and/or Diabetes, **Janet L. Poole**, (PI), State of New Mexico Department of Health, 2/1/99 - 6/30/99, \$9,350.00.

Short term outcome following basal joint arthroplasty and occupational therapy, **Janet L. Poole** (PI), Dr. William Burkhalter Research Grant, American Hand Therapy Foundation, 01/99 - 12/04, \$3,000.

Gesture performance and motor learning in dyspractic children, dyspractic adults and apractic adults, **Janet L. Poole** (PI), American Occupational Therapy Foundation, 03/93-12/94, \$959.

Risk factors for the development of disability in the scleroderma hand, **Janet L. Poole** (PI), Research Development Fund, University of Pittsburgh, 7/92-6/94, \$3,200.

Oral manifestations in Scleroderma: The impact of disease and intervention, Claudia Conte (PI), Karen Rossie, **Janet L. Poole**, Q. Beery & Virginia Steen, 10%, The Arthritis Foundation, 10/91-9/93, \$10,000 (direct costs only).

A comparison of axial and distal movements in adults and children who have difficulty planning motor skills, **Janet L. Poole** & Colleen Schneck, School of Health Related Professions Research Development Fund, University of Pittsburgh, 07/89 - 06/90, \$275 (direct costs only).

An evaluation of assistive device usage inpatients with rheumatic disease, Joan C. Rogers (PI) **Janet L. Poole** (Co-PI), 10%, The Arthritis Foundation, 07/86 -06/90, \$30,000.

Progression of symptoms and physical findings in scleroderma and their relationship to functional abilities, **Janet L. Poole** (PI), 20%, Western Pennsylvania Chapter of the Arthritis Foundation, 01/88 -12/88, \$3,000.

Assessment of quality of life in patients with rheumatic disease, **Janet L. Poole** (PI), 15%, The Arthritis Foundation, 07/87 - 06/88, \$13,200.

Deformity and disability in the scleroderma hand, **Janet L. Poole**, (PI), 20%, Western Pennsylvania Chapter of The Arthritis Foundation, 01/87 - 12/87, \$4,420.

Relationship between psychosocial adjustment and physical and functional status in scleroderma patients, **Janet L. Poole** (PI), School of Health Related Professions Research Development Fund, University of Pittsburgh, 10/87 -11/87, \$400.

Hand function in scleroderma patients, **Janet L. Poole** (PI), Research Development Fund, University of Pittsburgh, 07/85 -06/86, \$905.

Comparison of the Fugl-Meyer Stroke Assessment and the Motor Assessment Scale in subjects with hemiplegia, **Janet L. Poole** & Susan L. Whitney,. School of Health Related Professions Research Development Fund, University of Pittsburgh, 07/8510/85, \$184.
